Glory

Hebrews 2: 10 says, “God is the One who made all things, and all things are for his glory. He wanted to have many children share his glory, so he made the One who leads people to salvation perfect through suffering.”

If you look at the definition of glory on dictionary.com you will see that it means, “Very great praise or honor.” In Hebrews chapter 2, the writer tackles the idea the Son of God becoming human. Can you imagine that the very Son of God, the one who created all things, leaving the splendor of heaven and living with his creation? When you consider Jesus and the glory he has, there is nothing that is more great and honorable than the glory of Jesus. In other words, the very highest point of praise and honor only comes from Jesus and being saved by Him.

True glory doesn’t come from the promotion, the medal, the trophy, the 4.0 GPA, the degree, or anything on this earth. No, true glory comes only from the One, who created it.

And the amazing thing is that Jesus wants to share this glory with us. The very One who made all things for his glory, wants to share his glory. And not only does he want to share his glory with us, but he was willing to become human, a living, breathing, sweaty, stinky, tempted in every way human. And not only was he willing to become human, but we has willing to die for us, to suffer for us, so he could share his glory with us. And now, today, because Jesus died for our sins we are called his children and we get to share his glory.

Amen! Thank you Lord! God is good! The good news is still good news!
